Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to
Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-
03116A-06-0203, T-03287A-06-0203 and T-03346A-06-0203*

Dear Mr. Johnson:

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding three (3) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of these potential layoffs on October 30, 2008. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoffs being considered were intended to improve efficiencies and reduce business expenses. The proposed reduction involved one management employee in the Customer Care and Billing IT organization and two management employees in the Business Services Organization. In an effort to redeploy these employees within AT&T, the employees retained access to the internal AT&T job search system. Ultimately, AT&T cancelled the notice to one of the employees, and another employee was able to secure a different assignment within AT&T. This left one employee who was not able to locate another position and thus received a severance package. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin
